

FAMILY-FOCUSED NONPROFIT, HIVELY, RECOGNIZED AS A BAY AREA 2024 TOP WORKPLACE

Pleasanton, California, August 26, 2024 - Hively has been awarded a 2024 Top Workplaces honor by San Francisco Bay Area Top Workplaces. This list is based solely on employee feedback gathered through a third-party survey administered by employee engagement technology partner Energage LLC. The confidential survey uniquely measures the employee experience and its component themes, including employees feeling Respected & Supported, Enabled to Grow, and Empowered to Execute, to name a few.

Over the last two years, Hively has scaled to meet growing demand in Alameda County for child care assistance, family resources and mental health support. That means growing, attracting and retaining talented employees, a priority from the very start for former HR executive turned Hively CEO, Mary Hekl.

"One of Hively's top priorities is to take care of our employees and create an environment where they feel safe and valued and where they have opportunities to learn and grow," said Hekl. "Our employees take incredible care of our families and providers, showing kindness and compassion while diligently connecting them to the services and resources they need. We take care of our employees, and they in turn take excellent care of our clients and partners. The highest honor that Hively can have is being named a Top Place to Work."

“Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees,” said Eric Rubino, Energage CEO. “That's something to be proud of. In today's market, leaders must ensure they're allowing employees to have a voice and be heard. That's paramount. Top Workplaces do this, and it pays dividends.”
